Thank you for your investment in Lifeline Children's Services in 2022. Your generous donation of \$800.00 allowed us to continue the work of equipping the body of Christ to manifest the gospel to vulnerable children and families. Our team is grateful for all the ways God used us last year and we look forward to what this year holds!

Sincerely, Lifeline Children's Services

Grief Share is a Christ-centered, biblically based support group for persons who are suffering the loss of a loved one through death. The program consists of three key elements to help participants heal from their loss: a video seminar, group discussions, and a personal workbook. The Grief Share videos include experts, ministers, and Christian counselors as they discuss grief and the recovery process. There are also testimonies from people who share their stories of what has helped them deal with the pain of losing a loved one. The seminar lasts for 13 weeks, and participants can join at any time during the 13 weeks since the lessons and videos are not in succession. Pray for God to use this highly effective program to reach members of our church and community.

**Please consider joining us in Grief Share on  
Sunday afternoons from 3:00 - 5:00 in the fellowship hall.  
A nursery will be provided.**
